EDUCATION

Georgia Institute of Technology

BSBA: Strategy and Innovation, Minor in Fin-tech

- GPA: 3.70/4.00

Atlanta, GA

December 2025

EXPERIENCE

Business Consultant and Investor

Aug 2023 – Present

Band2gether

Atlanta, GA

- Increased sales revenue to \$6,000+ by implementing promotions, designing seasonal sales, and optimizing pricing
- Contributed to selling 70%+ of key product lines through strategic, hands-on sales efforts and creative marketing
- Managed \$5,000+ in inventory and ensured profitability by creating Excel tools to track costs, sales, and margins

Working Capital Analyst Intern

May 2024 – Aug 2024

PrimeRevenue

Atlanta, GA

- Prepared and cleaned data for 10+ Supply Chain Financing (SCF) deals and presentations, ensuring accuracy
- Tracked and analyzed over 100+ CRM accounts weekly, validating client information and payment cycles
- Performed quantitative analysis for the Working Capital team, improving workflow efficiency by 15% through Python automation and AI tools

AI and Informatics Intern

June 2023 – Aug 2023

Emory

Decatur, GA

- Assessed the effectiveness of AIDOC in reading CT scans at Emory University.(AI software Emory was piloting)
- Spearheaded the creation of a new info-graphic summarizing the Radiology and Imaging Sciences department's offerings, employed on the website and for marketing initiatives

PROJECTS

U.S Soccer | Consultant

Jan 2025 – May 2025

- Collaborated with a team to build a Tableau dashboard for U.S. Soccer, integrating 3+ Excel datasets (ticket sales, venue availability, calendar) to visualize match schedules and key metrics
- Cleaned and structured raw data for use in Tableau, enabling interactive views like Map schedule, Venue trends and statistics, and venue comparisons (ticket price, revenue, capacity)
- Designed Figma prototypes for dashboards; secured approval and translated designs into Tableau dashboard

Wilderness Works | Non-Profit Consultant

Jan 2024 – May 2024

- Led team efforts to develop an innovative recruitment strategy targeting underprivileged children and schools, expanding access to Wilderness Works' camps as safe spaces beyond formal education
- Conducted thorough research and analysis to pinpoint outreach opportunities, resulting in a focused approach that successfully engaged underdeveloped communities, amplifying the organization's reach

COMMUNITY INVOLVEMENT

Helping the Community | Volunteer

Jan 2018 – Present

- Annual Toy Drive – Organizing, purchasing toys and supplies, distribution of wrapped toys
- Annual Hygiene Drive, organizing and assembling hygiene kits for refugee families and victims of domestic violence
